SAFAI BANK OF RJ COLLEGE (SAFAI WARRIORS)

The Safai Bank of R J College as a part of Swacchta Ambassadors and in association with the Safai Bank of India has been formed since October 2018 but became active since January 2019. In the year 2019-20 about 4-5 Departments and now presently in 2020-21 there are about 16 Departments of our college associated with this initiative. From the Department there are Teachers who have volunteered to be a part of this initiative and also involved in guiding and helping the students in the systematic collection and deposition of Plastic, especially Multi-laminated Plastic (MLPs). There are core student representatives appointed who constantly interact and keep records with the Class representatives. These class representatives are the ultimate important part of the ladder who are in direct contact with the student volunteers who collect and submit their MLPs.

During the lockdown since March 2020, student volunteers, the core representatives and also teachers from various departments have been continuing with their drive and depositing the MLPs at the college as when possible. **Till now, the Safai Bank unit of R J college has deposited about 113515 with the central depository of Safai Bank of India and placed within the top 10 depositor institutions involved with Safai Bank of India.** Many student volunteers have collected the MLPs in their house but due to restrictions in travelling as well as the infection rate has held them back in coming to the college but nevertheless, these warriors have been making efforts to deposit in the college by some way or the other. **Since August 2020, the Safai Bank unit of R J College has deposited with the central depository about 21,186 MLPs and another around 8,000 MLPs have been collected within the college and its deposition with central depository is pending.**
